

Gain Endodontic Postgraduate Training Without Additional Debt!

Looking to earn an endodontic postgraduate degree *but don't want to drown in debt?*

If you are interested in teaching or an academic career, the AAE Foundation's **Endodontic Educator Fellowship Award** may be the solution.

Agree to a full-time academic position in endodontics for five years and the Foundation will provide a grant equal to **100 percent of your tuition and a \$2,500 monthly stipend during your residency!**

The **Endodontic Educator Fellowship Award** is given in recognition of the critical role that educators play in strengthening the specialty.

Let your professional career begin by giving back and teaching the next generation of endodontists!

For more information and to download an application visit **www.aae.org/foundation**.
