

iWILL MATCH!

iWill Match is a new way for donors to extend their giving. Consider matching your pledge of \$10,000 or more with a bequest of an equal amount. A bequest is a simple way for donors to provide additional support to the AAE Foundation. All that is required is language inserted in your will that states your intention. An example follows:

I, _____, of _____,
(Name) (city, state, zip)
give, devise and bequeath to the AAE Foundation _____
(written amount or percentage of the estate)
for its unrestricted use and purpose.

- I would like to match my pledge with a bequest of \$ _____.
(An AAE Foundation staff member will contact you to collect proper documentation.)
- I would like an AAE Foundation staff member to contact me with more information about a bequest.
