American Association of Endodontists
Attn: Dr. Michael Heuer
211 East Chicago Avenue
Chicago IL 60611-2691

February 2, 1993

Dear Dr. Heuer:

I have called some of the senior members of the Minnesota Association of Endodontists. I am told the organization was founded in 1968 by Dr. Donald McMillan. Currently we are active in seeking to expand the duties of dental assistants functions within the scope of endodontics. I hope this synopsis helps you finish your historical perspective.

Sincerely,

Melissa B. Chapman D.D.S., M.S.
President of the Minnesota Association of Endodontists
