Association
of Endodontists

February 16, 1993

Dear Dr. Heuer,

Enclosed please find the historical information that you requested from the Ohio Association of Endodontists. Our records indicate that the first Ohio Association of Endodontists meeting was December 2, 1970. I am also including a list of the charter members. An asterick (*) before the name indicates known membership in the American Association of Endodontists. I do not have any information regarding possible membership for the other names listed.

To summarize our principle activities, the Ohio Association of Endodontists functions as an opportunity for the endodontists in the state to meet and discuss issues concerning endodontics in the state of Ohio and for continuing education.

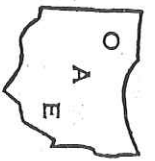

If I can be of further assistance, please do not hesitate to contact me at 216-946-8210.

Sincerely,

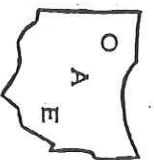

A handwritten signature in cursive script, appearing to read 'J. Richard Schleder', with a date '2/16/93' written at the end.

J. Richard Schleder D.D.S., M.S.
