The Rhode Island Association of Endodontists was founded in 1986 by Dr. Douglas Mellion, President; Dr. Edwin Mehlman, Vice President; and Dr. Jan Feldman, Secretary-Treasurer. As an affiliate of the AAE, the Rhode Island Association of Endodontists seeks to promote the highest standard of endodontic care for the public, represents the specialty of endodontics in the state of Rhode Island, maintains a cooperative relationship with other dental societies and organizations, and provides the public, the media, and third party carriers information and guidance in matters relating to endodontics.
